§ 180.8 Withdrawal of petitions without prejudice.

In some cases the Registration Division or an advisory committee to which the petition has been referred will notify the petitioner that the petition, while technically complete, is inadequate to justify the establishment of a tolerance or the tolerance requested by petitioner. This may be due to the fact that the data are not sufficiently clear or complete. In such cases, the petitioner may withdraw the petition pending its clarification or the obtaining of additional data. This withdrawal may be without prejudice to a future filing. Upon refiling, the time limitation will begin to run anew from the date of refiling or the date of receipt of certification from the Administrator, whichever is later. A deposit for fees as specified in § 180.33 shall accompany the resubmission of the petition.
